

PRIVATE AND CONFIDENTIAL PROPOSAL

Good day

I am a Staff of one of the leading Bank in Malta and a Private Financial consultant; also I am a Mongolian Citizen but lives and work here in Malta. I am writing following an opportunity in my office that will be of immense benefit to both of us. I have been a Private Trust Fund Manager to one of the Muammar al-Qaddafi's Trust Fund Accounts here in Malta, a foundation owned by the late Libyan Dictator Muammar al-Qaddafi.

Malta is a country 221.11 Miles from Tripoli, Libya and most Wealthy people always used Malta as their safe haven for enormous offshore banking and then secretly appointing a Banker or Financial Consultant, popularly known as Bank Officer to take charge of this Trust Account in case of any need for urgent cash without their presence at the bank, the account manager has the Power to act and carry out transactions from the accounts based on a written instruction from the account beneficiary with a secret code known only by the Account Officer and the Beneficiary.

I was given a written instruction by Colonel Muammar al-Qaddafi to move USD 65,000,000 .00 (Sixty Five Million United States Dollars) from the Muammar al-Qaddafi's Trust Fund account via safe bank deposit box to China for the purchase of Arms and Ammunition to aid him in the Libyan Civil war of which the negotiation was in progress.

All arrangement for the movement of this cash was already in place when I learnt of the death of Colonel Muammar al-Qaddafi in the city of Sirte, Libya. I then immediately stopped all negotiations on the arms purchase and deposited the funds into a Private Vault and Safe Deposit Box Management Company. I am presently affected by the Maltese civil service code of conduct that prohibits civil servants from operating foreign accounts; hence I seek for an honest and trustworthy individual to stand as my foreign partner in moving these funds out of Malta for investment purpose.

Presently, the existence of this money is unknown to any body and is backed up by a Certificate of Clean fund issued by the Maltese Government absolving the money from drugs or money laundering activities. I find it necessary to invest this money offshore in viable business ventures through your company or your personal guidance and assistance. I have worked on the whole arrangement and only expect your favourable response to put the machinery into motion that will further our mutual personal and business relationship.
